

# The Re-entrants ::

BECAUSE SIZE ISN'T IMPORTANT

## So you want to book The Re-entrants?

Aside from the fact that you have excellent taste, here are a few things you might want to know...

## What can you expect?

Two large bald chaps playing tiny ukuleles! We play rock and pop songs from the 60s to the present day, with nothing but our ukes and vocals (often in harmony) – no backing tracks or special effects. We have a lot of fun on stage, and encourage the audience to sing along or play 'guess the intro'!

## Technical Requirements

1. We can plug into the venue (i.e. your) PA, if you have one. It needs to have;  
2 vocal microphones / 2 mic stands / 2 further inputs (preferably XLR) for the ukuleles.  
Monitors are nice, but not necessary unless we are playing a large venue or outdoors. Please make sure there is someone at the venue who knows how the PA works!
2. We can bring our own PA. Please bear in mind we will need 40 minutes to set up/ soundcheck and 20 minutes to tear down. With this option we simply require a performance space that is near to a mains socket. Please be aware that we do not allow other performers to use our PA without prior permission and that children must be kept away from the stage area to avoid accidents/ damage to equipment. We always plug into an electrical safety device. If this shows the wiring to be unsafe, we will not plug in our equipment – we don't want to be electrocuted and neither do your guests!
3. We can perform completely acoustically, possibly wandering around your event if required. For this we don't really require anything but our ukes! Please bear in mind that ukuleles are quite quiet and this is only suitable for wandering or for very small, intimate events.  
We are happy to play outdoors, but please make sure you have an alternative indoor/ covered area or a substantial (waterproof!) gazebo in the event of rain.

## How long do we play for?

We can play for up to 2 hours (usually divided into shorter sets).

## Promotional material

If the gig is open to public, you'll want posters, photos, etc. All of these things are available to download from the website. We can also post them to you - please let us know.

## Cost

Please call us to enquire about the cost, as this will depend on how far we have to travel, what equipment we have to bring, how long you want us to play for, etc. We require our fee to be agreed in advance.

**We hope this helps everything go smoothly!  
Please get in touch if there's anything else you need to know.**
